- . Mastectomies*
- . Arthroscopic orthopedic procedures*
- . Endoscopic urological procedures (such as transurethral prostate resections[TURP])*

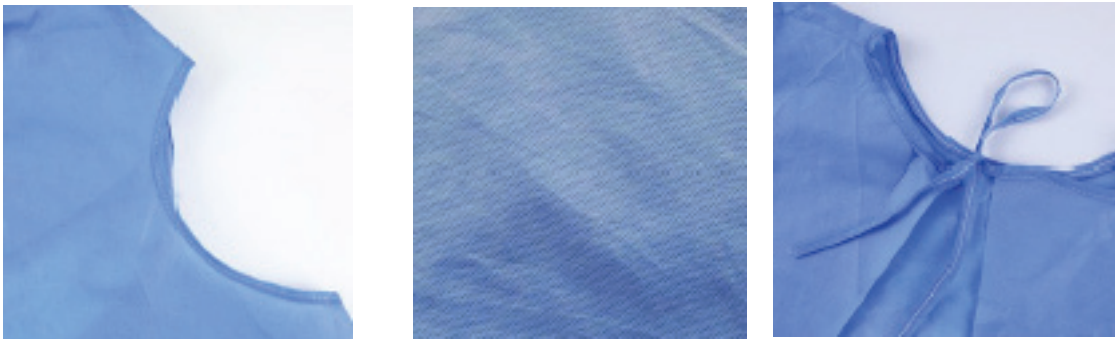

PE Isolation Gown is made of PP coated with polyethylene, available in Blue or Yellow. It is lightweight, full-back, neck ties, and knitted cuffs or thumb hooks, etc , generously sized for greater coverage and flexibility.

Advantages of PP+PE Isolation Gowns:

- **Good Breathability**
One-way air permeability, highly bacteriostatic, fast evaporation of the internal heat
- **Anti-fine particle**
Filter fine particulate dust
- **Effective isolation**
- **Waterproof & Anti Splash**

Effectively isolate kinds of external liquid, filter volatile liquid, avoid direct contact

Size	Height	Body Length	Chest	Sleeve Length
L	67 in	45 in	49 in	35.5 in
